

Campaign For Our CommonWealth

We are working for a day when the needs and lives of all Kentuckians matter before the profits of a very few. That's why we work for tax reform that is fair and raises enough money to invest in our communities. All Kentuckians deserve that.

Unfortunately, Gov. Bevin has announced that he wants to call legislators to Frankfort after Aug. 15th to change our tax laws to lower taxes on the wealthy and corporations, and shift those taxes onto everyone else. He's even talking about taxing our groceries and medicine while also cutting funding to our schools and healthcare. That ain't right!

I support raising revenue fairly and oppose raising taxes on the majority of Kentuckians to pay for tax breaks for the wealthy.
