

**Coming Together for  
Social, Environmental, Racial and Economic Justice**

## **Realizing Dr. King's Dream for the Beloved Community**

**Monday, Jan. 16th, 1 pm at St William Church**

Join us as Louisville comes together to celebrate Dr. Martin Luther King's legacy and make commitments for moving forward at this unique and powerful juncture in our journey towards justice. Through the power of coming together in song and the wisdom of inspired speakers we will affirm that together we can realize Dr. King's dream for a Just and Beloved Community.

This unique celebration will begin at 1 pm as John Gage prepares us to perform as a community choir during the remainder of the program which starts at 1:30pm. Don't miss this much needed opportunity to harmonize together!

Please join our coalition of local non-profits and concerned citizens as we celebrate Dr. King's legacy and explore how it might inform our becoming a just and beloved community.

St. William Church is located at 1226 W. Oak Street, 40210. For parking: If heading west on Oak turn left on 13th, if heading East on Oak turn right on 13th. Park in lot on right side of 13th. Church will be on the left.
