

Pipelines, Fracking

and Kentucky's Future Beyond Fossil Fuels

Nov.8, 2014 | 8:30 am – 5:30 pm

Locust Trace AgriScience Center
Lexington, Kentucky

A free, one-day summit to educate Kentuckians about natural gas liquids (NGLs), fracking, landowner rights, and local options for communities seeking a sustainable future.

We will serve an early Thanksgiving lunch with locally sourced main courses and potluck sides – all attendees are invited to bring a dish to share!

With gratitude to these sponsors:

Kentucky Resources Council

Food and Water Watch

Kentucky Conservation Committee

Envision Franklin County

New Pioneers for a Sustainable Future

Dominican Sisters of Peace

Kentucky Heartwood

Sisters of Loretto

Earth Tools, Inc.

Kentuckians For The Commonwealth

Sisters of Mercy South Central Community

Sisters of Charity of Nazareth

Shelby County Fiscal Court

Kentucky Waterways Alliance.
